

2019-2020 SAU Administrator Goals

Goal I: Student Achievement and Engagement

- a: Implement purposeful, research-based instructional techniques for all learners.
- b: Use multiple data points to measure student success toward growth targets
- c: Conduct monthly data meetings to analyze achievement and inform instruction
- d: Practice positive, multi-tiered behavioral management
- e. Engage students in alternative school and community-based activities.

Goal II: Communication

- a. Maintain positive outreach through encouragement of two-way communication with all stakeholders
- b. Expand digital presence through the use of social media (Facebook, Instagram, etc.)

Goal III: Competency Based Education

- a: Review and evaluate the effectiveness of all aspects of our Competency Based Education and the impact of implementing next generation practices and competency-based learning.
- b. Provide learning opportunities for all staff, parents, students, and the community to collaborate for in-depth understanding of CBE.
- c. Develop efficient and informative reporting tools connecting competencies to standards and work-study practices.

Goal IV: Technology

- a. Review and evaluate all technology programs for effectiveness and assess capacity with technology integration to meet graduation expectations.
- b. Expand 1:1 device usage to the fullest capacity within and beyond the school day.

Goal V: Budget

- a. Build fiscally responsible budgets that meet the educational needs of students and community
- b. Increase understanding of budget process for all constituents
- c. Analyze practices, resources, and services to increase economies of scale to benefit the districts
