The Groveton High School Yearbook has launched its 2017-2018 advertising campaign! Our yearbook is made possible through the generosity of local businesses and people like yourself, and we would greatly appreciate your support.

Our publication receives no town or school funds; we are supported solely through business and personal ads and book sales. Our goal this year is to raise enough revenue through display advertising to keep the cost of the book to parents and students as low as possible.

Thank you for helping our students create an outstanding 2018 Groveton High School yearbook!  
Denise E. Wood (Yearbook Advisor)
