

# STARK VILLAGE SCHOOL

*Vision: The Stark Village School is committed to building a solid foundation for every child to be successful in life.*

Weekly News for the Week ending 09/22/17

## School Notes...

- Students have been really excited about our reading challenge!!! It is so great to see all the great books they are reading. We are a little under half way to our goal. Keep up the great work everyone!!!!
- One Wednesday we have an author coming to visit. Alicia Potter is an author from Boston and she will be here to read some stories and talk to the students about writing. Please feel free to join us at 1:00 for her presentation! Checkout her website at <http://www.aliciapotterbooks.com/>
- We are very excited to have a new water fountain that makes it super easy to fill up water bottles!! Feel free to send a water bottle in with your child that they can use throughout the day. We really encourage students to stay hydrated. Students are allowed and encouraged to have their water bottles in the classroom.
- The weather has been beautiful but with this nice weather the building tends to heat up so please feel free to dress your child in layers so they can be comfortable during the day!
- The Special schedule for the year is as follows:
  - Monday – Guidance
  - Tuesday – Art
  - Wednesday – Music
  - Thursday - P.E., Art, Technology
